SECTION I - GENERAL INFORMATION

STATEMENT OF INTENT

As outlined in more detail in Section IV, below, this Request for Proposals (RFP) seeks a provider of Investment Compliance Reporting Services. The target commencement date and term for the proposed services is July 2019 through June 2022, subject to negotiation of a final agreement.

A. PURPOSE:

The Treasurer is inviting proposals from qualified firms to conduct an independent, written monthly compliance review of the County’s Investment Portfolio to verify the portfolio’s compliance with the County’s Investment Policy and the California Government Code. The selected firm will provide advice only and will not manage funds. Copies of the current Investment Policy and current compliance reports can be found on the Treasurer’s website.

B. BACKGROUND – SAN MATEO COUNTY

The County was established on April 19, 1856. Located on the San Francisco Peninsula, coastal mountains run north and south through the County, dividing the lightly populated western part from the heavily populated eastern corridor between San Francisco and Santa Clara/Silicon Valley. The Pacific Ocean forms its western boundary and San Francisco Bay its eastern boundary. It is one of 58 California counties and one of the nine counties in the San Francisco Bay Area. The County covers 455 square miles and contains 20 incorporated cities and the San Francisco International Airport. In terms of population, it is the 13th largest county in the State, with 764,797 persons. The county seat is located in Redwood City.

San Mateo County has approximately 5,500 full time employees with an annual budget of approximately $2.82 billion. The County provides a wide variety of services which are administratively organized into five areas: administration and fiscal, community services, children, youth & family services, criminal justice, and health services. The primary purpose of the organization is to ensure the health, safety and welfare of the community while safeguarding the County’s natural resources.

The County employs a charter type of government and is governed by a five-member Board of Supervisors who serve four-year terms on a full-time basis. Each Supervisor must reside in one of the five districts of the County but is elected at large in non-partisan elections. The Board appoints the County Manager to administer County affairs. The County Manager appoints the heads of six agencies/departments. The Board appoints the County Counsel. Elected
officials include the Assessor-County Clerk-Recorder, Controller, Coroner, District Attorney, Sheriff and Treasurer-Tax Collector.

C. BACKGROUND - COUNTY INVESTMENT POOL

The County Treasurer manages, in accordance with California Government Code Section 53600 et seq., funds deposited in the County Treasury by the County, all County school districts, various special districts, and some cities within the County. State law requires that all moneys of the County, school districts and certain special districts be held in the County Treasury by the County Treasurer. The County Treasurer accepts funds primarily from agencies located within the County. There are currently approximately 1190 accounts in the County pool, the largest single agencies being the school districts and community college districts (representing 32.70% of the County pool as of 3/31/19) and San Mateo County (representing 47.8% of the County pool as of 3/31/19). The moneys on deposit are predominantly derived from local government revenues consisting of property taxes, State and federal funding and other fees and charges.

As of March 31, 2019, investments in the County pool were held for local agencies in the following amounts:

(1) The “carrying value” of the pool securities represents the cost of such securities to the County.
(2) The “market value” of the pool securities is composed of the market value of such securities plus accrued interest.

The composition and value of investments under management in the County pool will vary from time to time depending on cash flow needs of the County and public agencies invested in the County pool, maturity or sale of investments and purchase of new securities, and due to fluctuations in interest rates generally.

As reflected in the table above, as of March 31, 2019, the carrying value and market value of investments credited to the County pool were both approximately $5.4 billion. The pool currently includes approximately $241 million in cash or cash equivalents, which represents the County pool’s liquidity. As of March 31, 2019, the dollar weighted average maturity of the County pool was .83 years with a duration of 0.80 years.

Approximately 19.5% of the assets of the investment pool come from public agencies which can make discretionary withdrawals for the purposes of making alternative investments. The Treasurer believes the liquidity in the portfolio is adequate to meet expected cash flow requirements and would preclude the County from the need to sell investments at below carrying value. However, the County has in the past and may in the future elect to sell securities below carrying value, borrow short-term debt to fund cash flow needs and take other actions as the Treasurer may deem warranted by prudent fiscal management.
On January 8, 2019, the Board made its annual review and approved the 2019 investment policy (the “County Investment Policy”). To meet the requirements of both liquidity and long-term investment needs, the County Investment Policy established the County pool. The County pool attempts to match maturities with capital expenditures and other planned outlays. It is designed as an income fund to maximize the return on investable funds over various market cycles, consistent with limiting risk and prudent investment principles. Yield is considered only after safety and credit quality have been met. The purpose of the fund is to provide investors with a reasonably predictable level of income.

The maximum allowable maturity of instruments in the County pool at the time of investment is 7 years and the maximum dollar weighted average maturity of the fund is three years. Subject to California law, funds deposited in the County pool under the County Investment Policy may only be reclaimed at the rate of 12.5% of the principal balance per month, exclusive of apportionment, payrolls and day-to-day operations, unless specifically authorized by the Treasurer. Gains and losses in the County pool are proportionately allocated to each depositor quarterly, each being given credit for accrued interest earnings and capital gains based on their average daily pool balance. The minimum balance for an outside agency to maintain an account in the County pool is $250,000.

The Treasurer may not leverage the County pool through any borrowing collateralized or otherwise secured by cash or securities held unless authorized by the County Investment Policy in accordance with California law. The Investment Officer is prohibited from doing personal business with brokers that do business with the County.

The fund also permits investments in repurchase agreements in an amount not exceeding 100% of the fund value. Collateralization on repurchase agreements is set at 102%. The County Investment Policy permits certain securities lending transactions up to a maximum of 5% of the County pool. The program is conducted under a Custody Agreement by and between the County and The Bank of New York, as custodian.

The Treasurer prepares a monthly report for the County pool participants, the Board of Supervisors and members of the Treasury Oversight Committee stating the type of investment, name of the issuer, maturity date, par and dollar amount of the investment. The report also lists average maturity and market value. In addition, the Treasurer prepares a cash flow report which sets forth projections for revenue inflows and interest earnings as compared to the projections for the operating and capital outflows of depositors. The projection will be for at least the succeeding twelve months.
An annual audit of the portfolios, procedures, reports and operations related to the County pool will be conducted in compliance with California law.

The County Investment Policy is reviewed and approved annually by the Board. The Board must approve all amendments to the policy.

B. SUBMISSION OF PROPOSALS

Notice of Intent: The Treasurer is requesting parties who are interested in submitting a response to this RFP to inform the Department in advance of their intent. However, providing a notice of intent is not required in order to submit a proposal. You may notify the Department of your intent to respond to this proposal by emailing Tiffany Htwe at thtwe@smcgov.org by the deadline listed above.

Proposal: The RFP response will be submitted electronically to Tiffany Htwe Thtwe@smcgov.org by no later than 5:00 p.m. on Friday, May 24, 2019, as listed in the TENTATIVE SCHEDULE OF EVENTS above. Proposals should be in the format required in Section V. A., below. There will be no public opening of proposals. All proposals shall be firm offers, and will so be
considered by the Treasurer, although the Treasurer reserves the right to negotiate terms upon evaluation of the proposals. Proposals will be considered valid offers for a period of ninety (90) days following the close of the RFP.

By submitting a proposal, each proposer certifies that its submission is not the result of collusion or any other activity which would tend to directly or indirectly influence the selection process. The proposal will be used to determine the proposer's capability of rendering the services to be provided. The failure of a proposer to comply fully with the instructions in this RFP may eliminate its proposal from further evaluation as determined in the sole discretion of the Treasurer. The Treasurer reserves the sole right to evaluate the contents of proposals submitted in response to this RFP and to select a contractor, if any.

Proposals received late will not be opened or given any consideration for the proposed services unless doing so is deemed to be in the best interest of the County, as determined in the sole discretion of the Treasurer.

 Upon receipt by the Department, all proposals will be date/time stamped. All proposals received prior to the deadline for proposals will be kept in a secure place.

C. CONFIDENTIALITY OF PROPOSALS

California Government Code Sections 6250 et seq. (the “California Public Records Act” or the “Act”) defines a public record as any writing containing information relating to the conduct of the public business. The Act provides that public records shall be disclosed upon written request and that any citizen has a right to inspect any public record unless the document is exempted from disclosure. The Department, which is part of the County of San Mateo, is subject to the California Public Records Act.

Be advised that any contract that eventually arises from this RFP is a public record in its entirety. Also, all information submitted in response to this RFP is itself a public record without exception. Submission of any materials in response to this RFP constitutes a waiver by the submitting party of any claim that the information is protected from disclosure. By submitting materials, (1) you are consenting to release of such materials by the County if requested under the Public Records Act without further notice to you and (2) you agree to indemnify and hold harmless the County for release of such information.

If the County/Treasurer receives a request for any portion of a document submitted in response to this RFP, the County/Treasurer will not assert any privileges that may exist on behalf of the person or entity submitting the proposal, and the County/Treasurer reserves the right to disclose the requested materials without notice to the party who originally submitted the requested material. To the extent consistent with the Public Records Act and applicable case law interpreting those provisions, the County/Treasurer and/or its officers, agents, and employees retain discretion to release or withhold any information submitted in response to this RFP.
Submission of a proposal constitutes a complete waiver of any claims whatsoever against the County and/or its officers, agents, or employees that the County/Treasurer has violated a proposer's right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal to be inspected.

D. PROPOSAL EVALUATION

All proposals received will be evaluated by an RFP Evaluation Committee. During the evaluation process, the Treasurer may require a proposer's representative to answer specific questions orally and/or in writing. The Treasurer may also require a visit to the proposer's offices, other field visits or observations by County representatives, or demonstrations as part of the overall RFP evaluation. Once a finalist or group of finalists is selected, additional interactions or information may be required. The most qualified individual or firm will be recommended to the Treasurer by the RFP Evaluation Committee based on the overall strength of each proposal, and the evaluation is not restricted to considerations of any single factor such as cost.

Responses to this RFP must adhere to the format for proposals detailed in Section V - PROPOSAL SUBMISSION REQUIREMENTS. The criteria used as a guideline in the evaluation will include, but not be limited to, the following:

1. Firm qualifications and experience, including capability and experience of key personnel and experience with other public or private agencies to provide these services

2. Proposed approach, including clarity of understanding of the scope of services to be provided and appropriateness of the proposed solution/services

3. Customer service

4. History of successfully managing other contracts with public or private agencies

5. Ability to meet any required timelines or other requirements

6. Claims and violations against you or your organization

7. Cost to the County for the primary services described by this RFP

8. Cooperative purchasing options (if any) and cost of possible additional services

9. References

10. Compliance with County RFP & contractual requirements
The Treasurer may consider any other criteria it deems relevant, and the Evaluation Committee is free to make any recommendations it deems to be in the best interest of the Department and/or the County. Inaccuracy of any information supplied within a proposal or other errors constitute grounds for rejection of the proposal. However, the Treasurer may, in its sole discretion, correct errors or contact a proposer for clarification.

Note that the Treasurer reserves the right to evaluate proposals solely based on each vendor’s written submission. In relation to written materials, evaluation will be performed only on the material included directly in the proposal itself unless otherwise indicated or requested by the Treasurer. The evaluation team will not access company web sites or read sales brochures, marketing materials, or white papers in evaluating vendor experience or proposed methodology unless doing so is in the County’s best interest. You may submit additional materials or reference on-line information in your proposal if you wish, but these will not necessarily be considered during the proposal evaluation process.

The Treasurer reserves the right to accept other than the proposals with the lowest costs and to negotiate with proposers on a fair and equal basis when the best interests of the County are served by doing so.

E. PROPOSAL RECOMMENDATION

The Evaluation Committee will recommend a provider or providers to Department management or may recommend that the proposals be rejected. Department management will then make its own decision as to whether to accept or reject the Evaluations Committee's recommendations. Ultimate acceptance or rejection of the recommended proposal and execution of a contractual agreement is the independent prerogative of the Treasurer, notwithstanding any recommendations made by the Evaluation Committee. The Treasurer reserves the right to negotiate with any provider in working to finalize an agreement in relation to the proposer's response.

F. NOTICE TO PROPOSERS

The Treasurer is not required to give notice to proposers in any specific format or on any particular timeline. At some point prior to execution of a final agreement for the requested services, the Department will notify those who submitted proposals of their non-selection. Proposers may be notified at different times by the Department.

G. PROTEST PROCESS

If a proposer desires to protest the selection decision, the proposer must submit by facsimile or email a written protest within five (5) business days after the delivery of the notice about the decision. The written protest should be submitted to the San Mateo County Treasurer as outlined below. Protests received after the deadline will not be accepted. Protests must be in writing, must include the name and address of the Proposer and the Request for Proposals numbers, and must state all the specific ground(s) for the protest. A protest that merely addresses a single
aspect of the selected proposal (for example, comparing the cost of the selected proposal in relation to the non-selected proposal) is not sufficient to support a protest. A successful protest will include sufficient evidence and analysis to support a conclusion that the selected proposal, taken as a whole, is an inferior proposal.

The San Mateo County Treasurer will respond to a protest within ten (10) business days of receiving it, and the Treasurer may, at her election, set up a meeting with the proposer to discuss the concerns raised by the protest. The decision of the San Mateo County Treasurer will be final. The protest letter must be sent by facsimile and e-mail to:

If a proposer discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the proposer must immediately notify the Treasurer of such error in writing and request modification or clarification of the document. If a proposer fails to notify the Treasurer of an error in the RFP prior to the date fixed for submission, the proposer shall submit a response at his/her own risk, and if the proposer enters into a contract, the proposer shall not be entitled to additional compensation or time by reason of the error or its later correction.

The Treasurer may, at its discretion, also give electronic notice by email to all parties who have notified the Treasurer of their electronic contact information in response to this RFP, but no party that fails to receive email notice has any basis for protest given that all clarifications will be available online. 7. **Selection of Vendor(s).** The selection of a vendor will be memorialized in the form of a “County Agreement with Independent Contractor” (see the sample template at Section VI, Enclosures 2-4, below), and, if required, authorized by a Resolution of the County Board of Supervisors and signed by both parties.

The Treasurer reserves the right to reject any or all proposals without penalty. The Treasurer’s waiver of an immaterial deviation in the proposal shall in no way modify the RFP documents or excuse the proposer from full compliance with the specifications if the proposer enters into a contract.

8. **Equal Benefits.** With respect to the provision on employee benefits, Contractor/vendor must comply with the County Ordinance prohibiting discrimination in the provision of employee benefits between a full-time employee with a registered domestic partner and one with a spouse.

9. **Jury Duty.** The contractor must comply with the County Ordinance requiring that the contractor have and adhere to a written policy the provides its full-time employees who live in San Mateo County with no fewer than five days of regular pay for actual jury service in San Mateo County. See Section VI, Enclosure 5. If the proposer has no employees that qualify for jury duty in San Mateo County, the proposer may satisfy this requirement by providing the County with written confirmation of the fact that (1) it has no such employees and (2) its policy is to comply with the jury duty pay ordinance with respect to any future qualifying employees.

Depending on the nature of the work being performed, additional requirements may need to be met.

11. **Incomplete Proposals May be Rejected.** If a proposer fails to satisfy any of the requirements identified in this RFP, the proposer may be considered non-responsive and the proposal may be rejected.

12. **Contact With County/Department Employees.** As of the issuance date of this RFP and continuing until the final date for submission of proposals, all proposers are specifically directed not to hold meetings, conferences, or technical discussions with any employee of the County/ Treasurer for purposes of responding to this RFP except as otherwise permitted by this RFP. Any proposer found to be acting in any way contrary to this directive may be disqualified from entering into any contract that may result from this RFP.

Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party’s IP Rights provided any such right is enforceable in the United States. Contractor’s duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor’s expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County’s prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County’s prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor’s opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County’s reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor’s option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of
the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

9. **Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

10. **Insurance**

   a. **General Requirements**

   Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

   b. **Workers’ Compensation and Employer’s Liability Insurance**

   Contractor shall have in effect during the entire term of this Agreement workers’ compensation and employer’s liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

   c. **Liability Insurance**

   Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor’s operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:
(a) Comprehensive General Liability… $1,000,000
(b) Motor Vehicle Liability Insurance… $1,000,000
(c) Professional Liability……………… $1,000,000

You may delete (b) or (c) text if those insurance types are not relevant to your contract – County Counsel review is not required if one or both of those lines are deleted. However, if you are unsure about insurance requirements for your contract – call Risk Management before your contract is executed.

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

11. Compliance With Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.106 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. Accordingly, Contractor shall not use any non-recyclable plastic disposable food service ware when providing prepared food on property owned or leased by the County and instead shall use biodegradable, compostable, reusable, or recyclable plastic food service ware on property owned or leased by the County.
